PORCELAIN WARE WHICH IS EX-QUISITE IN WORKMANSHIP.

Finest Specimens Made in the Province of Kaga-Lacquer Ware Which Surpasses Anything of Kind in World.

The president in his message has referred to the skill of Japanese workmen, and it is not without point All freight charges will be prepaid whether one looks in the realm of art and the same will be allowed when a or in the commonplace trades. This comment brought out in connection with the recent troubles in San Francisco, where Japanese have beeen exply for three months and to be de- cluded from schools attended by white livered to the Central Kentucky children, has served to direct new in-Asylum for the Insane, at Lakeland, terest towards things Japanese, and in some phases of art work the Japanese undoubtedly do excel the rest of the world. The finest period of Japfee, 18 chests of tea, 45 barrels of anese art as applied to porcelain was

Fine Specimen of Porcelain Ware.

that of the fourteenth to the seventeenth centuries, and although since copied in design and treatment from the period above referred to, and those which are of entirely modern

The factories were erected at Kutani, livered to the Western Kentucky lain was manufactured. The body is Asylum for the Insane at Hopkins- of a fine texture well decorated, red ville, Ky .: 300 barrels of flour, 100 and gold being the predominating colors, and on a really good sample of this ware the work is probably finer than that of any other kind of porcelain manufactured by the Japanese.

Specimens, however, are frequently met with in which, whilst the decoration is all that can be desired, the standard of the famous Kutani factories, a matter readily understood when it is explained that, owing to the demand created for this ware, numerous specimens were manufactured in neighboring provinces and sent to Kutani to be decorated. Here again unfortunately, as in other well known the growing demand for specimens at popular prices has caused large factories to be opened elsewhere to supmostly crude specimens, and except in the matter of coloring, which is fairly closely followed, they in no way bear comparison with even inferior specimens of the art they are supposed to minded Institute, at Frankfort, Ky: represent. At one time these were to 75 barrels of flour, 600 pounds of be obtained chiefly at the fancy remeal, 450 pounds of coffee, 3 barrels positories and drapery establishments, but of recent years, unfortunately, unscrupulous curio dealers have disposed of large quantities, the pur-6 dozen mops, 6 dozen brooms, 24 chaser fondly believing that he has at last obtained a genuine specimen.

Another, and one of the earliest arts of the Japanese, is lacquer ware, and in this they far surpass all other rice, 500 pounds of Leans, 300 pounds races, excepting perhaps the Chinese. Great taste is displayed in the de-

barrels of laundry soap, 5 boxes of characteristics so dear to the Japachloride of, lime (1 pound cans), 3 nese, and flowers are frequently innese, and also in the coloring. Painted corporated, whilst gold powder and It is not intended that all of the mother of pearl are also used to enabove supplies for any one institution rich articles destined for ornamental purpose only. Successive coats of surface is practically level, after which the surface is rubbed down and carefully polished. Needless to say the trays sold in this country with not be taken as fair specimens of Japwill be required to furnish with their anese lacquer work, being made for a bids a sample of each article and the cheap market and for domestic use, board reserves the right to retain yet even here one occasionally comes the samples of all articles which they across specimens which are undoubtedly artistic, and which, when in con-

stant use, prove very durable. Another form of lacquer work in favor amongst this interesting race is the decoration of a panel or plaque with raised ornamentations of ivory or pearl. Here the background is generally a highly polished surface, mostly black and occasionally dark brown, either of which helps to throw up with fine effect the light shades of the ivory and pearl with which the article

The First Time Their Pictures Have Ever

The Evening Post has for several years endeavored to secure pictures of all Kentucky Governors and has at last succeeded in securing them through the assistance of the Ken-tucky State Historical Society.

In order to place these pictures in a permanent form, they have been arranged in a group in an up-to-date Atlas showing. Kentucky with the latest census, pictures of all the presidents of the United States, Rulers and Flags of all nations, steamship routes, statistical data, history of the Russo-Japan War, also late maps of the United States, Panama Canal, Eastern and Western Hemisphere, reports of the last three national census and much other historical information.

This unique and valuable Atlas is FREE to ALL EVENING POST SUBSCRIBERS. If not now a subscriber send \$3.00 for a full year's subscription by mail or \$2.00 for six month's subscription. Understand that these rates are by mail only and that the subscription price by carrier or agent is to cents per week.

The Evening Post publishes six or more editions daily and the latest edition is sent to each reader according to the time that it will reach them. The Evening Post is first in everything and has the most State news and best market reports. For all the people and against the grafter,

Independent always. For the Home. The Evening Bost, Louisville, KY.
